SAME ROADS • SAME RIGHTS • SAME RULES
Be Visible • Wear a Helmet • Be Alert • Have Fun

	<p>RCW 46.61.755 states: Traffic laws apply to persons riding bicycles. Obey all traffic signs, signals and laws. Ride in the same direction as traffic.</p>		<p>Choose the best way to turn left: LIKE A CAR—scan behind, yield, signal and when safe, move into the left lane and turn left. LIKE A PEDESTRIAN—dismount and walk your bike across the intersection in the crosswalk.</p>
	<p>Signal before turns and lane changes. Check behind and ahead before turning. Yield to vehicles with the right-of-way.</p>		<p>Ride defensively. Be aware of other vehicles. Do not pass on the right. CAUTION: Always watch for cars stopping or turning.</p>
	<p>Be visible day or night. Wear bright clothes. RCW 46.61.780 states: At night you must have a headlight and taillight or red rear reflector.</p>		<p>Ride predictably. Leave adequate space between you and parked cars. Be careful of opening car doors. Do not weave in and out of parked cars and traffic.</p>
	<p>Be courteous. Audibly alert pedestrians as you approach. Yield to pedestrians in the crosswalk.</p>	<p>© 2005 Port Townsend Bicycle Association P.O. Box 681 Port Townsend, WA 98368 www.ptbikes.org Printed February 2005</p>

Bicycling the Olympic Peninsula
EASTERN JEFFERSON COUNTY

Discover the excellent road and mountain bike cycling the Peninsula has to offer.

This map is intended to familiarize cyclists with the many great cycling opportunities on the Olympic Peninsula and to provide information to cyclists so that they can make their own decisions as to which route is suited for their skill level.

This map was produced by the following partners and many local cyclists contributed their knowledge of the roadways and trails.
